

## A TOAST TO ARLENE BLOSCH...

Arlene H Blosch of Mays Landing passed away peacefully Tuesday, January 24, 2017 at the age of 72.

Arlene was best known for always being on the go. If she wasn't traveling to a far away land she was helping plan community events such as the Hometown Celebration or Wine Festival. She was known in the community as the "lady in purple." She was a member of the Mays Landing Merchants Association, Woods Landing Social Committee as well as countless nonprofit and community organizations. Arlene worked for Preferred Travel since her move to New Jersey, prior to that she owned her own agency for 25 years. She was a church elder at the Mays Landing Presbyterian Church as well as a member of Christian Women's Connection. She found joy in making others happy.

Fred Kneble, President of the Merchants Association, credits Arlene as being "the driving force" behind the weekend-long celebration of top-notch cuisine and wines grown right here in the Garden State. Kneble said the group was extremely fortunate to have Blosch, who passed away from Glioblastoma Multiforme Brain Cancer, as their champion. We ask you to raise a glass to Arlene to honor her legacy as you enjoy this year's festival!

*The SJ Wine & Food Festival serves as the main fundraising event of the **Mays Landing Merchant Association**. Through the generosity of our sponsors, vendors, wineries, community partners, volunteers and attendees, we are able to provide scholarships to students that attend culinary arts and hospitality programs at Stockton University and Atlantic Cape Community College. We are also able to fund other community events that are free too all including Hometown Celebration, Movies Under The Stars, Fall Festival, Halloween Parade and Dickens of a Holiday. **Thank you for your continued support of our event, of our association and of our local businesses!***
